

ROOFING & CLADDING BUILDING & LIMITED

ENVIRONMENTAL POLICY

Roofing, Cladding & Building Ltd recognises that day to day operations can impact the environment both directly and indirectly. We aim to protect and improve the environment through good management and adopting best practise wherever possible.

Roofing, Cladding & Building Ltd acknowledge the responsibility and will work to integrate environmental considerations into our business decisions and adopt greener alternatives wherever possible throughout our operations.

The company will, therefore aspire to:

- a) Comply fully with all relevant legal requirements, codes of practise and regulations.
- b) Prevent pollution to land, air and water.
- c) Reduce water and energy use.
- d) Minimise waste to landfill by reducing our waste generation and by segregating and recycling waste where economically and operationally feasible.
- e) Identify and manage environmental risks and hazards.
- f) Involve customers, partners, clients, suppliers and subcontractors in the implantation of our objectives and work together to encourage commitment and improvement in our local environment.
- g) Promote environmentally responsible purchasing, whenever possible.
- h) Provide sustainable training with the necessary resources, equipment, information, instruction and training to fulfil the requirements of this policy and to enable employees to deal with their specific areas of environmental control.
- i) Improve the environmental efficiency of our transport and travel

All employees are responsible for working towards the objectives contained within this policy. This policy will be communicated to all employees and organisations working for or on behalf of Roofing, Cladding & Building LTD. Employees and other organisations are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own work, so far as is reasonably practicable, is carried out without risk to themselves, others, or the environment.

This policy will be reviewed annually by the Director and where deemed necessary will be amended and re-issued.
